However, Windows XP and up supports the program, so you can still download it Who invented Purple Place? Oberon Media for Microsoft Dr. Panda Restaurant 2 is an Educational, Time Management, and Single-player video game developed and published by Dr. Panda for mobile devices. The game is the sequel to Dr. Panda and returns with more advanced features, gameplay, and mechanics. It offers an opportunity for the player to open and manage a restaurant where he can make a delicious pizza of his dreams, a yummy pasta dish, or the variety of soups to fulfill customers' requirements. During the gameplay, the player is capable of designing his kitchen and unlock secret recipes to become the future chef. In the game, the player can chop, grate, blend and fry over twenty ingredients to create the perfect dish. After creating the dish, the player needs to serve the food to his customers and earn money. There are more than twenty ingredients available, including Eggs, Kiwifruit, Fish, Tomatoes, and more. Dr. Panda Restaurant 2 includes prominent features such as Vegetarian Mode, Different Customer Reactions, and more. Check it out, and have fun if you want to become a chef.
